Those who believe chronic diarrhoea to be incurable should read what Mr. E. Gresham, of Gaars Mills, La., has to say on the subject. "I have been a sufferer from chronic diarrhoea ever since the war and have tried all kinds of medicines for it. At last I found a remedy that effected a cure and that was Chamberlain's Colic, Cholera and Diarrhoea Remedy." This medicine can always be depended upon for colic, cholera morbus, dysentery and Diarrhoea. It is pleasant to take and never fails to effect a cure. 25 and 50 cent sizes for sale by R. B. Bellamy and J. R. Farrior.

Institute Echoes.
For THE BANNER BY "X"
The young teacher, and the one who is not a professional teacher, after listening to the talk of those who have had special training or seen long service, is apt to have a feeling of discouragement.

A little of this feeling may help a determination to do better in the future, but we should not allow it to go too far. We can't all be at the top—there is no top—and honest work, wherever done, may be of as much worth as any. The old devotee means for the relief of a greatly overworked teacher, amused his neighbors by remarking, he "hoped she would be favored to do the best she could," expressed a deeper thought than he was aware. The teacher who has grace given to do the "best he can" may well be happy.

It seems to me, that the good people of Chipley missed a treat by not hearing the address Friday night. It is to be hoped the empty benches did not indicate the degree of interest felt by them in school matters. A few more people might have found room at other sessions of the Institute.

A point missed in the discussion of the Teacher's library, was the desirability of something on the public order, open to all the teachers of the county. I suggest a paper on it for some future institute.

Would it not be well to leave a few minutes at the close of an Institute for resolutions, suggestions, announcements, remarks, etc.?

A few weeks ago the editor was taken with a very severe cold that caused him to be in a most miserable condition. It was undoubtedly a bad case of a gripe and recognizing it as dangerous he took immediate steps to bring about a speedy cure. From the advertisement of Chamberlain's Cough Remedy and the many good recommendations included therein, we concluded to make a first trial of the medicine. To say that it was satisfactory in its results, is putting it very mildly. Indeed, it acted like magic and the result was a speedy and permanent cure. We have no hesitancy in recommending this excellent Cough Remedy to anyone afflicted with a cough or cold in any form.—The Banner of Liberty, Libertytown, Maryland. The 25 and 50 cent sizes for sale by R. B. Bellamy and J. R. Farrior.

Resolution of Thanks.
We, the committee on resolutions of thanks ask that the following be adopted and ordered spread upon the minutes of this convention and a copy furnished the Chipley BANNER for publication.

Whereas, at the second meeting of the Masonic Convention of the Second District of Florida, which convened in the city of Chipley on the 7th, 8th and 9th of October, the delegates and visiting brethren were suitably entertained by the brethren of Orion Lodge, and the good citizens of Chipley; be it therefore

Resolved, that the thanks of this Convention be, and are hereby extended, to these kind friends, and most especially to those who left nothing undone that could have possibly added to our pleasure, and they will ever be held in fondest remembrance.

The above resolutions were unanimously adopted by a rising vote.

Tribute of Fraternal Respect
Whereas, at the meeting of the Convention of the Second District, which assembled in the hall of Orion Lodge, No. 40, F. & A. M., at Chipley on the 9th inst., the death was announced of our worthy brother, Edwin B. Speight, who was a member of the District Convention on work, and a prominent member of said convention, and

Whereas, Brother Speight was not only a shining light in Masonry, but was also a devout member of the Presbyterian church and an ardent teacher of the Sabbath Schools. He was strictly moral and it has been remarked of him that he had no vices. He was 34 years of age, and at his death was the last of a large family, except one sister, Mrs. A. D. McKinnon of DeFuniak.

Bro. Speight received a collegiate education at the Florida Springs and taught primary schools for about 10 years. In Walton county; about two years ago he began the study of law and was admitted to the practice last year, with the most flattering prospects of a bright and prosperous future. He had located not long ago at Westville to practice his chosen profession and had already won the highest esteem and confidence of that entire community, when he was stricken down with pneumonia and died after about ten days illness, surrounded by sorrowing friends and relatives. There he is.

Resolved, That in the death of Bro. Speight, Masonry, the church, the Sunday School, and society in general has suffered an irreparable loss, and this Convention one of its most valuable members.

Resolved, That we extend to his family our hearty sympathy, and mingle our tears with theirs in grief for him we loved so well.

Resolved, That these resolutions be spread upon the minutes of our Convention, and that a copy be furnished the local organs of Chipley and DeFuniak Sp's. for publication.

Colored Campmeeting.
Chipley, Oct. 19, 1897.
EDITOR BANNER:
Please allow me space to say a few words for the Colored Campmeeting here. It was not known that the A. M. E. denomination would bring a campmeeting until a few weeks before it began, and it seemed both imprudent and impossible, owing, principally, to contagious diseases in other parts, and to high sentiment against the meeting, for the fears of visitors coming from infected localities. Elders Houshaw, called "uncle Tom," and Elder Call, figures most prominently as ministers.

The hospitality of the citizens and city officials seem to be highly appreciated by the visiting clergy, and I shall venture to say that the next District Conference will hold its place here, the permanent Camp Ground of the Pensacola Dist.

Judging from the interest manifested in the meeting by the white citizens, they are as much interested in the religious and moral good of the colored race as ministers seem to be.

It is folly to say that the intelligent Southern white folks take no interest in the moral improvement of the Negro.
